Joyous Music Making is designed for elementary teachers who have some music training, are comfortable singing and have basic music reading skills. Participants will continue to develop existing music skills while learning new approaches to teaching music in the classroom.

Topics covered in this course include:

- choral conducting and rehearsal techniques for the elementary choir
- music reading and writing
- creating and composing
- Canadian folk music

Co-sponsored by the
Kodály Society of Ontario and the
Office of Continuing Studies
at Wilfrid Laurier University

Level I certification endorsed by the Kodály Society of Canada and the Office of Continuing Studies at Laurier.
